## Places to visit:

**Stratford Upon Avon Butterfly Farm**

## Place to visit:

**Rutland Water Bugtopia**

## Place to visit:

**Salcey Forest—  
Superworm  
Trail**

## Things to do at home:

- Go on a bug hunt
- Plant flowers to attract bees and insects
- Make a bug hotel
- Make an insect using junk modelling
- Make honey sandwiches and go on a picnic
- Cook with honey
- Create artwork using patterns from nature as ideas.
- Google 'insect themed cooking' and try to make one of the snacks or create your own!

## Website to visit:

- Visit The Woodland Trust website and find out which animals you might find in a wood. Pick your favourite animals and make an 'Animal Hunt' checklist. Then, go on a walk and see how many you spot!

## Woodland Walks:

- Pack a picnic and explore a local wood, park or reservoir.
- I recommend Everdon Stubbs, Delapre Abbey, Hunsbury Hill and Pitsford Reservoir.
