.....

1. Aims

Our SEND policy and information report aims to set out how our school will support and make provision for pupils with special educational needs (SEND) and explain the roles and responsibilities of everyone involved in providing for pupils with SEND

The aims of our SEND and Inclusion Policy and practice in this school are:

- To provide curriculum access for all.
- To secure high levels of achievement for all.
- To meet individual needs through a wide range of provision.
- To attain high levels of satisfaction and participation from pupils, parent and carers.
- To carefully map provision for all vulnerable learners to ensure that staffing deployment, resource allocation and choice of intervention is leading to good learning outcomes.
- To ensure a high level of staff expertise to meet pupil need, through well targeted continuing professional development.
- To work in cooperative and productive partnership with the Local Authority and other outside agencies, to ensure there is a multi-professional approach to meeting the needs of all vulnerable learners.
- To “promote children’s self-esteem and emotional well-being and help them to form and maintain worthwhile relationships based on respect for themselves and others”. (National Curriculum, 2014).

The Executive Headteacher and the Governing Body have delegated the responsibility for the ongoing implementation of this Inclusion Policy to the Special Educational Needs Coordinator (SENDCO).

The SENDCO is responsible for reporting regularly to the Executive Headteacher and the Governor with responsibility for SEND on the ongoing effectiveness of this SEND and Inclusion Policy.

The SENDCO has strategic responsibility for the inclusion of children who have EAL and the achievement of vulnerable ethnic minority groups.

The Designated Teacher for Looked After Children has strategic responsibility for the inclusion of children who are adopted or in local authority care.

All staff in school have a responsibility for maximising achievement and opportunity of vulnerable learners – specifically, all teachers are teachers of pupils with special educational needs and EAL. Staff are aware of their responsibilities towards all vulnerable learners and a positive and sensitive attitude is shown towards all pupils at all times.

2. Legislation and guidance

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND and disabilities
- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEND co-ordinators (SENDCOs) and the SEND information report

3. Definitions

A pupil has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of others of the same age, or;
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools.

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

4. Roles and responsibilities

4.1 The SENDCO

The SENDCO is Shannon Rutter

They will:

- Work with the Executive Headteacher and SEND governor to determine the strategic development of the SEND policy and provision in the school.
- Have day-to-day responsibility for the operation of this SEND policy and the co-ordination of specific provision made to support individual pupils with SEND, including those who have EHC plans.
- Provide professional guidance to colleagues and work with staff, parents, and other agencies to ensure that pupils with SEND receive appropriate support and high-quality teaching.
- Advise on the graduated approach to providing SEND support.
- Advise on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively.
- Be the point of contact for external agencies, especially the local authority and its support services.
- Liaise with potential next providers of education to ensure pupils and their parents are informed about options and a smooth transition is planned.
- Work with the Executive Headteacher and governing board to ensure that the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements.
- Ensure the school keeps the records of all pupils with SEND up to date.

4.2 The SEND governor

The SEND governor will:

- Help to raise awareness of SEND issues at governing board meetings.
- Monitor the quality and effectiveness of SEND and disability provision within the school and update the governing board on this.
- Work with the Executive Headteacher and SENDCO to determine the strategic development of the SEND policy and provision in the school.

4.3 The Executive Headteacher

The Executive Headteacher will:

- Work with the SENDCO and SEND governor to determine the strategic development of the SEND policy and provision in the school.

- Have overall responsibility for the provision and progress of learners with SEND and/or a disability.

4.4 Class teachers

Each class teacher is responsible for:

- The progress and development of every pupil in their class.
- Working closely with any teaching assistants or specialist staff to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.
- Working with the SENDCO to review each pupil's progress and development and decide on any changes to provision.
- Ensuring they follow this SEND policy.

5. SEND information report

5.1 The kinds of SEND that are provided for

As an inclusive school we do not seek to closely define the special educational needs for which we will make provision. Historically we have had success in providing for a wide range of different needs, when budget, resources and availability of expertise has allowed.

In admitting pupils with special educational needs, we would expect to have informative discussions with both the pupil's family and the local authority to ascertain the suitability of our provision. We understand that it is initially our responsibility to make provision for a pupil with special educational needs through the school's devolved SEND budget. Thereafter we are aware of the process of applying for Targeted SEND Funding if the pupil's and the school's needs make that a necessity. As a mainstream school, it would clearly be difficult for us to make provision for pupils whose needs and/or demands are significant, severe or profound – to the extent that it could be argued that they would be most appropriately placed in a special school. However, we do not rule this out and would make a careful assessment of the needs of each pupil in constructive conversation with other agencies.

5.2 Identifying pupils with SEND and assessing their needs

STAGE 1 Well-differentiated, quality first teaching, including, where appropriate, the use of small group interventions. All vulnerable learners to be included on a whole-school provision map

(WAVE 2)

- All learners will have access to quality first teaching.
- Some vulnerable learners will have access to carefully differentiated activities or approaches directly related to the school curriculum which are part of our good practice in making teaching and learning accessible to pupils learning at different rates. These will probably be pupils who are underachieving and have been identified by the school as needing to make accelerated progress but will not necessarily be pupils with special educational needs. This is considered to be a differentiation of the usual school curriculum – not a special intervention for pupils with SEND.
- All vulnerable learners will be included on a detailed whole-school provision map which outlines and monitors all additional intervention across the school. The whole school provision map enables the school to:
 - Plan strategically to meet pupils' identified needs and track their provision.
 - Audit how well provision matches need
 - Recognise gaps in provision
 - Highlight repetitive or ineffective use of resources
 - Cost provision effectively
 - Demonstrate accountability for financial efficiency
 - Demonstrate to all staff how support is deployed
 - Inform parents, LEA, external agencies and Ofsted about resource deployment
 - Focus attention on whole-school issues of learning and teaching as well as individual needs, providing an important tool for self-evaluation.

Identification and Assessment at Stage 1

Children's needs should be identified and met as early as possible through:

- The analysis of data including entry profiles, Foundation Stage Profile scores, assessment, reading ages, other whole-school pupil progress data.
- Classroom-based assessment and monitoring arrangements. (Cycle of assess, plan, do and review).
- Following up parental concerns.
- Tracking individual children's progress over time.
- Liaison with feeder nurseries on transfer.
- Information from previous schools.
- Information from other services.
- Maintaining a provision map for all vulnerable learners but which clearly identifies pupils receiving additional SEND Support from the school's devolved budget or in receipt of High Needs funding. This provision map is updated termly through meetings between the teachers and SENDCO.
- Undertaking, when necessary, a more in-depth individual assessment - this may include a range of commercially available assessments, carefully chosen to deliver appropriate, useful information on a pupil's needs.
- Involving an external agency where it is suspected that a special educational need is significant.

Curriculum Access and Provision for vulnerable learners

Where children are underachieving and/or identified as having special educational needs, the school provides for these additional needs in a variety of ways and might use a combination of these approaches to address targets identified for individual pupils:

- Teachers use adaptive teaching as part of quality first teaching.
- Small group withdrawal time (limited and carefully monitored to ensure curriculum entitlement is not compromised).
- Individual class support / individual withdrawal.
- Access to materials in translation.
- Further differentiation of resources.

Monitoring and Evaluation

The monitoring and evaluation of the effectiveness of our provision for vulnerable learners is carried out in the following ways:

- Classroom observation by the SENDCO, and senior leaders.
- Ongoing assessment of progress made by intervention groups.
- Work sampling on a termly basis.
- Informal feedback from all staff.
- Pupil interviews when setting new Provision Plan targets or reviewing existing targets.
- Pupil progress tracking using assessment data (whole-school processes).
- Monitoring Provision Plan targets.
- Evaluating the impact of Provision Plans on pupils' progress (RAG rating).
- Attendance records and liaison with the School Attendance Support Officer.
- Regular meetings about pupils' progress between the SENDCO and the Executive Headteacher.
- Executive Headteacher's report to Governors.

STAGE 2 Additional SEND Support

- Pupils will be offered additional SEND support when it is clear that their needs require intervention which is "additional to" or "different from" the well-differentiated curriculum offer for all pupils in the school i.e. they have a special educational need as defined by the SEND Code of Practice 2014.
- Under-achieving pupils and pupils with EAL who do not have SEND will **not** be placed on the list of pupils being offered additional SEND support (but will be on the school's provision map).
- In keeping with all vulnerable learners, intervention for pupils on the SEND list will be identified and tracked using the whole-school provision map.
- It may be decided that a very small number (but not all) of the pupils on the SEND list will require additional Targeted SEND Funding, for which an application needs to be made to the Local Authority, to ensure their underlying special educational need is being addressed. This may particularly be the case

where outside agencies have been involved in assessing the pupil or contributing to their provision. Where the school can evidence that more than £6,000 above the Average Weighted Pupil Unit has, or will need to be, spent on a pupil within any one financial year, in order to meet his or her special educational needs, an application will be made to the Local Authority, with particular regard to the success criteria and SEND Descriptors published as part of the Local Offer.

- Where a pupil has a significant, severe and sustained need, it may be necessary to enter a multi-disciplinary assessment process with health and social care in order to consider the need for an Education Health and Care Plan.
- Where a pupil is in receipt of Targeted SEND Funding and/or an Education Health and Care Plan, a decision will be made as to whether a short-term Provision Plan is required.

Our approach to Provision Plans, which we recognise are no longer prescribed in the SEND Code of Practice 2014, is as follows:

- Our Provision Plans are a planning, teaching and reviewing tool which enables us to focus on particular areas of development for pupils with special educational needs. They are seen as working document which can be constantly refined and amended.
- Our Provision Plans will only record that which is *additional to* or *different from* the differentiated curriculum plan which is in place as part of provision for all children. Targets will address the underlying reasons why a pupil is having difficulty with learning – they will not simply be “more literacy” or “more maths”.
- Our Provision Plans will be accessible to all those involved in their implementation – pupils should have an understanding and “ownership of the targets”.
- Our Provision Plans will be based on informed assessment and where applicable, will include the input of outside agencies.
- Our Provision Plans have been devised so that they are manageable and easily monitored and therefore will be monitored and evaluated regularly.
- Our Provision Plans will be time-limited – there will be an agreed “where to next?”.
- Our Provision Plans will have a maximum of four short / medium term SMART targets set for or by the pupil.
- Our Provision Plans will specify how often the target(s) will be covered.
- Our Provision Plans will state what the learner is going to learn – not what the teacher is going to teach and will be clear about what the pupil should be able to do at the end of the given period.
- Targets for a Provision Plan will be arrived at through:
 - Discussion between teacher and SENDCO
 - Discussion with the pupil
 - Discussion, wherever possible, with parents/carers
 - Discussion with another professional
- Our Provision Plans of those who are on the SEND register will be reviewed at least once every short term by class teachers in consultation with the SENDCO and senior leaders.
- Our Provision Plans of those who are Wave 2 will be reviewed at least every long term by class teachers in consultation with the SENDCO and senior leaders.
- All Provision Plans will be RAG rated to assess their effectiveness.

STAGE 3 Statement of Special Educational Needs or Education Health and Care Plan

- Pupils with an Education Health and Care Plan will have access to all arrangements for pupils on the SEND list (above) and, in addition to this, will have an Annual Review of their plan.
- Our school will comply with all local arrangements and procedures when applying for
 - ⊖ Targeted SEND Funding
 - An Education Health and Care Plan

and will ensure that all pre-requisites for application have been met through ambitious and pro-active additional SEND Support using our devolved budget at an earlier stage.

- Our review procedures fully comply with those recommended in Section 6.15 of the Special Educational Needs Code of Practice and with local WNC policy and guidance - particularly with regard to the timescales set out within the process.

5.3 Consulting and involving pupils and parents

The school aims to work in partnership with parents and carers. We do so by:

- Working effectively with all other agencies supporting children and their parents.
- Giving parents and carers opportunities to play an active and valued role in their child's education.
- Making parents and carers feel welcome.

- Encouraging parents and carers to inform school of any difficulties they perceive their child may be having or other needs the child may have which need addressing.
- Instilling confidence that the school will listen and act appropriately.
- Focusing on the child's strengths as well as areas of additional need.
- Allowing parents and carers opportunities to discuss ways in which they and the school can help their child.
- Agreeing targets for all pupils, in particular, those not making expected progress and, for some pupils identified as having special educational needs, involving parents in the drawing-up and monitoring progress against these targets.
- Keeping parents and carers informed and giving support during assessment and any related decision-making process.
- Making parents and carers aware of the Information Advice and Support Service for SEND (IASS) available as part of the Local Offer.
- Providing all information in an accessible way, including, where necessary, translated information for parents with English as an Additional Language.

5.4 Assessing and reviewing pupils' progress towards outcomes

Depending upon the stage of support as outlined above, the progress of our pupils will be assessed and reviewed through:

- The school's generic processes for tracking the progress of all pupils.
- Termly evaluation of the effectiveness of interventions on the provision map (in relation to the progress of each pupil: RAG rating).
- At least half termly evaluation of whether pupils in receipt of Targeted SEND Funding and/or with Education Health and Care Plans are meeting their individual targets which have been written to address their underlying special educational need.
- Annual review of Education Health and Care Plans are prescribed in the SEND Code of Practice (September 2014).

All teachers and support staff who work with the pupil will be made aware of their needs, the outcomes sought, the support provided, and any teaching strategies or approaches that are required. We will regularly review the effectiveness of the support and interventions and their impact on the pupil's progress.

5.5 Supporting pupils moving between phases and preparing for adulthood

We will share information with the school, or other setting the pupil is moving to. We will agree with parents and pupils which information will be shared as part of this.

- We will ensure smooth transition into our school from the previous phase of education and from our school into the next phase of education.
- We will ensure early and timely planning for transfer to a pupil's next phase of education and, in the year before the year in which they leave, will offer transition meetings to all pupils in receipt of additional SEND support. Pupils with Education Health and Care Plans will have next phase destinations and transition arrangements discussed at plan review meetings convened by the plan coordinator.
- A transition timeline will be produced, with specific responsibilities identified.
- Support for the pupil in coming to terms with moving on will be carefully planned and will include familiarisation visits and counselling. Pupils will be included in all "class transition days" to the next phase but may also be offered additional transition visits.
- Pupils and parents will be encouraged to consider all options for the next phase of education and the school will involve outside agencies, as appropriate, to ensure information is comprehensive but easily accessible and understandable. Accompanied visits to other providers may be arranged as appropriate.
- Parents will be given a reliable named contact at the next phase provider with whom the SENDCO will liaise.

Admission Arrangements

No child will be refused admission to school on the basis of his or her special educational need, ethnicity or language need. In line with the Equalities Act 2010, we will not discriminate against disabled children and we will take all reasonable steps to provide effective educational provision (*see Admission policy for the school, as agreed with the Local Authority*).

5.6 Adaptations to the curriculum and learning environment

- When specialist equipment or a high level of staffing support is required to support a pupil with special educational needs, our school will fund this as additional SEND support up to £6,000 per annum for each individual pupil. Thereafter, if the cost is higher and the provision of these facilities is likely to be prolonged, the school will apply to the Local Authority for Targeted SEND Funding.
- Specialist equipment and expertise in relation to its use will be purchased/hired/ commissioned by the school from the open market, subject to the usual guarantees, service level agreements and quality assurance criteria. Our school will, wherever possible, join with other schools in joint purchasing/hire of equipment.

5.7 Expertise and training of staff

- In accordance with Section 6 of the SEND Code of Practice 2014, if appointed after September 2008, our Special Educational Needs Coordinator will be a qualified teacher working at our school and will have statutory accreditation. If a new SENDCO is appointed, he/she will gain statutory accreditation within three years of appointment.
- The SENDCO, and Designated Teacher(s) for LAC will regularly attend local network meetings.
- All staff will be trained in how to best support all vulnerable learners in order to maximise their achievement as part of the school development plan and annual schedule of continuous professional development. Specific training needs will be identified and met through the appraisal/performance management process.
- Specialist advice and expertise in relation to assessment and support of individual pupils will be commissioned by the school from the open market, accessing, as far as possible, services available as part of the Local Offer. Service level agreements and quality assurance criteria will be put in place at the point of commissioning and the Executive Headteacher and senior leaders will be responsible for reporting to Governors on the efficacy of these arrangements (including value for money). Our school will, wherever possible, join with other schools in joint commissioning and quality assurance arrangements.
- All staffing appointments to support vulnerable learners will be carried out in accordance with equal opportunities legislation, employment law, safer recruiting policy and best practice. All vacancies will be competitively advertised to ensure our school employs staff of the highest calibre.

5.8 Evaluating the effectiveness of SEND provision

We evaluate the effectiveness of provision for pupils with SEND by:

- Reviewing pupils' individual progress towards their goals each term.
- Reviewing the impact of interventions after 6 weeks.
- Using pupil questionnaires.
- Monitoring by the SENDCO.
- Using provision maps to measure progress.
- Holding annual reviews for pupils with statements of SEND or EHC plans.
- RAG rating provision plans.

5.9 Enabling pupils with SEND to engage in activities available to those in the school who do not have SEND

- As an inclusive school, we do everything we can to ensure that pupils of all abilities and needs are fully included in the life of the school.
- Where appropriate and legitimate, we endeavour to provide different ways for all learners to access the same learning experience, rather than withdrawing pupils and providing an entirely different activity.
- Our deployment of additional staffing and resources funded from our devolved additional needs budget through the Local Offer, ensure that all curriculum experiences are available to all pupils in the school (e.g. educational visits, extra-curricular activities), particularly where a voluntary financial contribution from parents is required for the activity to run. This complies with the Equality Act 2010.
- All lesson planning seeks to address the learning needs of all pupils in the class. Teachers receive regular training and support to ensure they are skilled in differentiating the curriculum for vulnerable learners. When subject coordinators monitor planning, work and progress data and when they or senior leaders carry out observations of teaching and learning in classrooms, particular attention is given to whether the ongoing learning offer is inclusive.
- Pupils are encouraged to analyse how they themselves learn and there is an ongoing dialogue about this in our classroom. Pupils are given the opportunity and support to develop self-help strategies to ensure their full access to the curriculum.

5.10 Working with other agencies

- Our school will identify sources of support as they develop and evolve as the Local Offer is defined through Education, Health and Social Care (including the establishment of joint commissioning arrangements).
- We seek to respond quickly to emerging need and work closely with other agencies including:
 - EHA team
 - CAMHS
 - Educational Psychology Service
 - ⇨ Information Advice Service for Northamptonshire (IASS)
 - WNC Sensory Impairment team
 - Local NHS services
 - Targeted Prevention Team
 - School Attendance Support Officer
 - Early Years SEND support service (Inc. Portage team)
 - Multi-agency safeguarding hub
 - Specialist SEND support services
- In accordance with the SEND Code of practice 2014 we invite all relevant agencies to annual review meetings, transition meetings and specific provision planning meetings involving pupils with special educational needs in our school. For pupils with Education, Health and Care Plans, we comply fully with requests from independent facilitators to provide information and cooperate fully with other agencies.
- Often at the request of families, we liaise with voluntary bodies in order to be as familiar as possible with best practice when the special educational needs of a pupil are very specific (e.g. autism, visual impairment etc).
- We have a clear point of contact within the school who will coordinate the support from outside agencies for each pupil. Most often this will be the SENDCO or Designated Teacher for LAC, but in some cases it can be another member of staff who we have identified as a key worker.

5.11 Complaints about SEND provision

If there are any complaints relating to the provision for children with SEND or EAL these will be dealt with in the first instance by the class teacher and SENDCO, then, if unresolved, by Executive Headteacher. The Governor with specific responsibility for SEND/inclusion may be involved if necessary. In the case of an unresolved complaint the issue should be taken through the general Governors complaints procedure (see separate Complaints Policy).

The parents of pupils with disabilities have the right to make disability discrimination claims to the first-tier SEND tribunal if they believe that our school has discriminated against their children. They can make a claim about alleged discrimination regarding:

- Exclusions

- Provision of education and associated services
- Making reasonable adjustments, including the provision of auxiliary aids and services

5.12 Contact details of support services for parents of pupils with SEND

Educational Psychology Service:

<http://www3.northamptonshire.gov.uk/councilservices/children-families-education/schools-and-education/educational-psychology-service/Pages/default.aspx>

Information and Advice Service (IASS):

<http://www3.northamptonshire.gov.uk/councilservices/children-families-education/service-finder/advice-and-support/9472-information-advice-and-support-service-for-special-educational-needs-and-disability-in-northants>

Virtual School for Looked After Children

<http://www3.northamptonshire.gov.uk/councilservices/children-families-education/schools-and-education/virtual-school/Pages/default.aspx>

(See Local Offer website link below for contact details in relation to High Needs Funding Applications and Education Health and Care Plans)

5.13 Contact details for raising concerns

The name and contact details of the Designated Teachers for Looked After Children: -

Mrs Louise Brown – Executive Headteacher

Mr Andy Baker – Deputy Headteacher

5.14 The local authority local offer

Our local authority's local offer is published here:

<http://www3.northamptonshire.gov.uk/councilservices/children-families-education/SEND/local-offer>

6. Monitoring arrangements

This policy and information report will be reviewed by the SENDCo and Executive Headteacher **every year**. It will also be updated if any changes to the information are made during the year.

It will be approved by the governing board.

7. Links with other policies and documents

This policy links to our policies on:

- Accessibility Plan
- Behaviour Policy
- Equality Information and Objectives
- Supporting Pupils with Medical Conditions
