Dear Parent/Carer

## Class 4 - National Space Centre, Leicester

As part of our Space topic next term, we will be visiting the National Space Centre, Leicester on Wednesday 16<sup>th</sup> March 2022. This is an extremely exciting opportunity for the children and will include access to the exhibitions, a guided planetarium experience and a workshop, Life in Space, in which the children will find out what it is like to be an Astronaut living and working on the International Space Station. The Year 5 and 6 children from Denton will be joining us for this trip so it will also be a lovely opportunity to continue our collaborative learning.

We would request a voluntary contribution of £23.00 to cover the cost of the entrance fee, workshop and for coach transportation. Please note the information overleaf regarding financial assistance; if you have a problem with payment, please speak to Louise Brown in confidence.

The children should arrive at school at 8.15am on this day and will return at approximately 4.30pm. Please provide your child with a packed lunch in a disposable named bag.

Please return the reply slip below as soon as possible, and make payment online via ParentPay. As always, children will be carefully supervised at all times during this visit.

Yours sincerely

Mrs Shannon Rutter  
Class 4 Teacher
