

## Class and Year Group: Yardley Hastings Class 3 (Year 3 and 4)

Subject	Sentence explaining curriculum
Reading	This term we will be exploring a range of narrative texts where we will delve into the vocabulary used. We will use the texts to develop our retrieval and inference skills
Writing	This term we will be looking at story openings, understanding the structure and language required in creating them.
Maths	We will be focusing on place value. We will look at how we can represent numbers in different forms and apply this in other context. We will cover partitioning, comparing and ordering numbers, looking at number lines and how to read and interpret them, and use this learning to round numbers.
Topic	Our topic this term is Awesome Earth, where the children will predominantly be working as scientists and geographers throughout their journey. We will then apply this learning through computing and art.
RE	We will be looking at 'Who is Jesus?' and was he a great teacher or a leader? This will be followed on by the children learning about Judaism.
PE	We will be focusing on team games this term. Children will develop their skills in moving from place to another through bouncing, jumping and landing.
Modern Foreign Language (KS2)	This term we will recap on some key phonetical skills as well as exploring aspects of French culture.
